### **ABOUT THE INN**

The mission of The INN (Interfaith Nutrition Network) is to address the issues of hunger and homelessness on Long Island by providing food, shelter, long-term housing and supportive services in a dignified and respectful manner for those who seek the organization’s help.

Founded in 1983 as a single soup kitchen run by a small group of concerned volunteers, The INN, a not-for-profit, volunteer-based organization, has grown to deliver its services through 14 soup kitchens in 21 locations, three homeless shelters, and a Long Term Housing Program consisting of 20 housing units for families and housing for up to seven veterans. Today, more than 5,500 people are fed each week. In January, 2016, The INN launched a new initiative, the Center for Transformative Change (CTC), a resource center and clothing boutique with the mission of assisting guests of the Mary Brennan INN soup kitchen in obtaining assistance with extended supportive services.

A dedicated staff, committed volunteers and broad-based community support help The INN maintain its position as one of Long Island's largest private social service agencies; The INN is ranked among the most cost-effective charities in the United States.
